Travel in luxury on one of the fastest, safest, most spacious whale watching vessels in the industry.

Alison Maree is one of the newest state-of-the-art purpose built whale watching vessels operating along the West Australian coastline. Our three spacious viewing decks are brilliant for wildlife interaction. Spend time spotting wildlife on the bow, the huge upper and lower rear decks, or try all three! Inside, join the skipper on the flybridge for the ultimate 360 degree birds-eye view or relax in the air-conditioned, spacious and comfortable main saloon.
